## ABOUT MYSELF

I'm a passionate Web & Graphic Designer with a creative mind and a focus on clean, modern, and user-friendly designs. I specialize in responsive websites, stunning graphics, and engaging user experiences. Skilled in HTML, CSS, JavaScript, Figma, Photoshop, and Coral draw, I turn ideas into impactful digital designs. I've interned at MindGigs Software House and actively work on freelance projects to enhance my skills. I enjoy solving problems
